ROSA GALINDO

Biography

Rosa Galindo (Barcelona, 1962) began her artistic career 20 years ago, as a result of her education in art and design in Milan, Bologna and Barcelona, with the need to express her inner world artistically. Throughout her artistic career, Galindo has used various techniques such as collage, oils, mobiles, and she is particularly renowned for her reverse painting on methacrylate.

Her works are present in private collections such as the Vila Casas Foundation.
