ARTUR RAMON ART

ISABEL BARBA-FORMOSA

Biografia

Isabel Barba-Formosa (Barcelona 1947) està graduada en Belles Arts a la universitat de Barcelona, ciutat on ha establert els seus propis tallers i on viu. És membre de l'Acadèmia Internacional de Ceràmica de Ginebra. Actualment és professora a l'escola d'Art i Disseny Massana, a Barcelona.

Inspirada per la ceràmica tradicional, crea objectes de porcellana que poden usar-se com a recipients. No obstant això, aquests objectes sovint perden la seva funcionalitat durant el procés creatiu.
